GOVERNOR'S VETOES

1

S.B. No. 894— Jackson.

An act relating to firearms.

Vote required: 27

To the Members of the California State Senate:

I am returning Senate Bill 894 without my signature.

This bill makes it an infraction (or a misdemeanor for the 3rd offense) to fail to report the theft, loss, or recovery of a lost or stolen firearm.

I vetoed similar measures in 2012 and 2013, because I did not believe that a measure of this type would help identify gun traffickers or enable law enforcement to disarm people prohibited from having guns.

I continue to believe that responsible people report the loss or theft of a firearm and irresponsible people do not; it is not likely that this bill would change that.

Sincerely,

Edmund G. Brown Jr.

GOVERNOR'S VETOES—Continued

2

S.B. No. 49— Runner.

An act relating to elections, and declaring the urgency thereof, to take effect immediately.

Vote required: 27

To the Members of the California State Senate:

I am returning Senate Bill 49 without my signature.

When only one candidate qualifies for a special primary election ballot to fill a legislative vacancy, this bill permits a Governor to cancel the election and declare the candidate elected.

In the situation envisioned by this bill, potential write-in candidates would be excluded from participating in the election. This doesn't seem consistent with democratic principles that call for choice and robust debate.

Sincerely,

Edmund G. Brown Jr.

3

S.B. No. 896— Nguyen et al.

An act relating to professions and vocations.

Vote required: 27

To the Members of the California State Senate:

I am returning Senate Bill 896 without my signature.

This bill requires a nail salon that accepts credit cards for nail care to also accept a credit card for the payment of tips.

I understand the author's intent to encourage the giving of tips to nail salon workers, but I don't believe that government should mandate the use of credit cards as required by this bill. In matters like this, the competitive marketplace should be sufficient.

I would also note that this bill lacks any enforcement mechanism.

Sincerely,

Edmund G. Brown Jr.

2016

Aug. 29—Shall Senate Bill 896 become a law notwithstanding the objections of the Governor? (Must be considered pursuant to Joint Rule 58.5.)

4

S.B. No. 1257— Block.

An act relating to the State Bar Act.

Vote required: 27

To the Members of the California State Senate:

I am returning Senate Bill 1257 without my signature.

This bill requires an applicant for membership in the State Bar to complete at least fifty hours of supervised pro bono legal service. It also requires that a practicing lawyer or law professor supervise the student.

I certainly support law students and lawyers providing pro bono legal services. Some law schools already promote volunteerism and pro bono service in various ways and many employers also require a certain amount of pro bono hours for associates and clerks. While I commend the author for his desire to further these efforts, I don't believe a state mandate can be justified.

Law students in California are now contending with skyrocketing costs—often more than \$200,000 for tuition and room and board—and many struggle to find employment once they are admitted to the Bar. In this context, I believe it would be unfair to burden students with the requirements set forth in this bill.

GOVERNOR'S VETOES—Continued

Instead, we should focus on lowering the cost of legal education and devising alternative and less expensive ways to qualify for the Bar Exam. By doing so, we could actually expand the opportunity to serve the public interest.

Sincerely,
Edmund G. Brown Jr.

S.B. No. 527—Liu et al.

An act relating to education finance.

Legislative Counsel's Digest of Assembly Amendments

SB 527, as it passed the Senate, specified the administrative duties and responsibilities of the State Department of Education with respect to the administration, subject to an appropriation in the Budget Act of 2016 or another measure enacted during the 2015–16 Regular Session of the Legislature, of Safe Neighborhoods and Schools planning grants to local educational agencies, as defined. As it passed the Senate, SB 527 also set forth criteria to guide the department in awarding planning grants under the program and specified the purposes for which the planning grant funds may be used.

The Assembly amendments delete the contents of the bill as it passed the Senate. The Assembly amendments establish the Learning Communities for School Success Program for the purpose of implementing that grant program, subject to an appropriation to the Safe Neighborhoods and Schools Fund in the annual Budget Act or another measure for the purposes of the bill. The Assembly amendments specify the administrative duties and responsibilities of the department with respect to the program, including administering grants and coordinating assistance to local educational agencies, as defined. The Assembly amendments set forth criteria to guide the department in awarding grants under the program, and specify the purposes for which grant funds may be used. The Assembly amendments also require the department to submit a final evaluation of the program to the Legislature on or before January 31, 2020. The Assembly amendments also add language providing that the bill would become operative only if AB 1014 of the 2015–16 Regular Session is chaptered and becomes operative on or before January 1, 2017. The Assembly amendments also add a coauthor.

S.B. No. 7—Wolk et al.

An act relating to housing.

Legislative Counsel's Digest of Assembly Amendments

SB 7, as it passed the Senate, authorized the Department of Housing and Community Development to develop and propose building standards that require the installation of water submeters in multiunit residential buildings, as specified. SB 7, as it passed the Senate, defined the term “submeter” for purposes of the Water Measurement Law.

The Assembly amendments, among other things impose requirements on landlords relating to submetered water service. The Assembly amendments require a landlord to make certain disclosures to the tenant prior to the execution of the rental agreement, if the landlord intends to charge a tenant separately from rent for water service in a property with submeters, and specify that as part of the monthly bill for water service, a landlord may only bill a tenant for specified charges and fees. The Assembly amendments require a landlord to investigate and, if warranted, rectify certain problems or a submeter reading that indicates constant or abnormal water usage and authorize a landlord to enter a dwelling unit for specified purposes relating to a submeter or water fixture if certain requirements are met. The Assembly amendments exempt specified categories of structures from building standards that require the installation of water meters or submeters in multiunit residential buildings. The Assembly amendments require a water purveyor that provides water service to a newly constructed multiunit residential structure or newly constructed mixed-use residential and commercial structure to measure the quantity of water supplied to each individual dwelling unit as a condition of new water service, as specified, and require the owner of the structure to install submeters that meet specified standards. The Assembly amendments prohibit a water purveyor from imposing additional fees or charges for a submeter installed by the owner, as specified. The Assembly amendments would provide that these provisions shall become operative on January 1, 2018.

Vote: 21. Substantial substantive change: yes.

Aug. 30—From committee: That the Assembly amendments be concurred in. (Ayes 11. Noes 0.)

9

S.B. No. 873—Beall et al.

An act relating to estates.

Legislative Counsel's Digest of Assembly Amendments

SB 873, as it passed the Senate, beginning on or after January 1, 2016, among other things, allowed a taxpayer that is allowed a low-income housing tax credit to elect to sell all or a portion of that credit to one or more unrelated parties, as described, for each taxable year in which the credit is allowed for not less than 80% of the amount of the credit to be sold, and provided for the one-time resale of that credit. SB 873, as it passed the Senate, required the California Tax Credit Allocation Committee to enter into an agreement with the Franchise Tax Board to pay any costs incurred by the Franchise Tax Board in administering these provisions.

The Assembly amendments delete the contents of the bill and instead, with regard to the Revised Uniform Fiduciary Access to Digital Assets Act and immunity from liability for custodians of digital assets for an act or omission done in good faith and in compliance with the act, would specify that this immunity does not apply in case of gross negligence or willful or wanton misconduct. The Assembly amendments also provide that SB 873 would become operative only if AB 691 is enacted prior to the enactment of SB 873.

Vote: 21. Substantial substantive change: yes.

S.B. No. 970—Leyva.

An act relating to greenhouse gases.

Legislative Counsel's Digest of Assembly Amendments

SB 970, as it passed the Senate, required the Department of Resources Recycling and Recovery, in awarding a specified grant for organics composting or anaerobic digestion, to consider certain factors, including, among others, the amount of greenhouse gas emissions reductions that may result from the project and the amount of organic material that may be diverted from landfills as a result of the project.

The Assembly amendments also require the department to consider, for a grant awarded for an anaerobic digestion project, if, and how, the project maximizes resource recovery, including the production of clean energy or low-carbon or carbon negative transportation fuels. The Assembly amendments authorize the department, to the extent funds are available, to provide larger grant awards for large-scale regional integrated projects that provide cost-effective organic waste diversion and maximize environmental benefits. The Assembly amendments also make certain findings and declarations regarding organic waste diversion.

S.B. No. 420—Huff et al.

An act relating to prostitution.

Legislative Counsel's Digest of Assembly Amendments

SB 420, as it passed the Senate, made an individual who solicits, agrees to engage in, or who engages in any act of prostitution with the intent to receive compensation, money, or anything of value, and with the specific intent to so engage, guilty of disorderly conduct.

The Assembly amendments also deems an individual to have agreed to engage in an act of prostitution if, with specific intent to so engage, he or she manifests an acceptance of an offer or solicitation by another person to so engage, regardless of whether the offer or solicitation was made by a person who also possessed the specific intent to engage in an act of prostitution. The Assembly amendments make additional technical, nonsubstantive changes. The Assembly amendments also incorporate changes to Section 647 of the Penal Code proposed by the bill and SB 1129, SB 1322, and AB 1708, as specified.

S.B. No. 1074—Hueso et al.

An act relating to energy, and making an appropriation therefor.

Legislative Counsel's Digest of Assembly Amendments

SB 1074, as it passed the Senate, appropriated to the State Energy Resources Conservation and Development Commission from the federal American Recovery and Reinvestment Act of 2009 \$13,000,000 for the 2016–17 fiscal year, and \$2,500,000 for each fiscal year thereafter until funds from the federal act are entirely encumbered or expended, for the federal Energy Efficiency and Conservation Block Grant Program to award contracts, grants, and loans for energy-related projects.

The Assembly amendments allocate \$2,500,000 of the moneys appropriated to the commission from the moneys derived from the federal act for the 2016–17 fiscal year for projects to recover lithium, metals, agricultural products, and other beneficial minerals from highly mineralized geothermal brines at geothermal facilities in existence as of January 1, 2017, that are in disadvantaged communities and provide local employment opportunities. The Assembly amendments require the commission, by February 1, 2017, to issue a competitive solicitation for projects to be funded by this allocation. The Assembly amendments add, as an additional purpose for which grants and loans made available from the Geothermal Resources Development Account may be expended, the undertaking of the above projects.

S.B. No. 1398—Leyva.

An act relating to drinking water.

Legislative Counsel's Digest of Assembly Amendments

SB 1398, as it passed the Senate, required a public water system to compile an inventory of lead pipes in use by July 1, 2018 and, after completing the inventory, required a public water system to provide a timeline for replacement of lead pipes in the system to the State Water Resources Control Board.

The Assembly amendments require a public water system to compile an inventory of known lead user service lines in use in its distribution system and identify areas that may have lead user service lines in use in its distribution system. The Assembly amendments require a public water system, after completing the inventory, to provide a timeline for replacement of known lead user service lines in use in its distribution system to the board and require the board to review and approve the timeline, as prescribed. The Assembly amendments, by July 1, 2020, require a public water system with areas that may have lead user service lines in use in its distribution system to either determine the existence or absence of lead user service lines and provide that information to the board or provide a timeline to the board for replacement of user service lines whose content cannot be determined.

Legislative Counsel's Digest of Assembly Amendments

SB 881, as it passed the Senate, revised procedures and conditions relating to the issuance or renewal of a driver's license, or the suspension or restoration of driving privileges, for a person who has failed to appear in court, to pay an installment of bail or a fine, or to comply with a court order, as specified.

The Assembly amendments delete the contents of the bill as it passed the Senate, and instead impose a 90-day timeframe and specified deadlines on a court related to the issuance of a certificate of completion for a participant in an amnesty program for unpaid traffic bail or fines or a comprehensive collection program for delinquent court-ordered debt. The Assembly amendments clarify eligibility requirements for participation in the amnesty program.

S.B. No. 1336—Jackson.

An act relating to dependent children.

Legislative Counsel's Digest of Assembly Amendments

SB 1336, as it passed the Senate, among other things stated the intent of the Legislature to clarify, if a child who has been removed from the custody of a parent or guardian is receiving family reunification services and a relative identifies himself or herself to a county child welfare agency, that the relative be evaluated by the county child welfare agency and a recommendation be made to the court as to whether the relative should or should not be considered for placement, and also required consideration for placement to be given to specified relatives subsequent to a specified dispositional hearing.

S.B. No. 139—Galgiani et al.

An act relating to controlled substances, and declaring the urgency thereof, to take effect immediately.

Legislative Counsel's Digest of Assembly Amendments

SB 139, as it passed the Senate, expanded the definition of a synthetic stimulant compound and a synthetic cannabinoid compound for purposes of existing law, as specified, and made a violation of those provisions subject to an infraction, as of the effective date of the bill, rather than January 1, 2016. The bill would declare that it is to take effect immediately as an urgency statute.

The Assembly amendments instead provide that a first offense of using or possessing a synthetic stimulant compound or synthetic cannabinoid is punishable as an infraction, a 2nd offense is punishable as an infraction or a misdemeanor, and a 3rd or subsequent offense is punishable as a misdemeanor. The Assembly amendments also authorize a person charged with certain crimes relating to synthetic stimulant compounds or synthetic cannabinoid compounds to be eligible to participate in a preguilty plea drug court program.
